

MHS Chemic Music Card Fundraiser Information

2011-2012

Pre Blitz Night Sales – NOW until Tuesday, September 20

- An order form is enclosed to start selling before school starts. Cards sell for \$10 each. Cards will be available to fill orders (and for direct sale) after school starts of September 7th.
- Music Parent Reps will be in the classes on Thursday, September 8th to promote Blitz sales, collect money, orders and pass out additional cards for students to fill existing orders, promote students to form teams for Blitz night and promote students to continuing selling until September 20.
- Music Parent Reps will be in the band/orchestra hall periodically during both lunch hours on September 8th, 13th, 16th and 20th for students to turn in money for sold cards and/or check out additional cards. (Watch boards in the band/orchestra/chorus hallway for any changes to this.)
- Each card has a value of \$10, and students are responsible for paying for any lost or stolen cards, so please be careful with your cards.
- All money for sold cards and any unsold cards must be turned in by lunch on Monday, September 20.
- Individual sales will be recorded by Music Parents for prizes. Prizes are accumulative, and not one or the other.

Blitz Night – Thursday, September 22

We need your help!

- Music Parent Reps are looking for parents willing to be drivers for teams, counters for receiving/counting money from Blitz sales, and runners (hands on help) for this event. Check out these job descriptions on www.mhsmusicparents.com. PLEASE contact one of the reps listed to volunteer.
- All music students and parent volunteers report to the MHS cafeteria by 5:30 p.m. Teams should return to MHS at 8 p.m. Students and drivers are free to go as soon as all team money and unsold cards have been counted.
- Teams will sell as a group on Blitz night, and sales will be evenly divided across the team members present and added to individual sales for incentive prizes. The team/teams with the highest per student sales will receive an extra 3 points per student. The 2nd highest sales will receive an extra 2 points per student. These points are added on to each student's sales to help attain additional prizes.
- There will be sections of the city known as "**Dow High Territory**" (DHT) that will be available to motivated students to sell in. As long as the team's initial area is canvassed and the cards/money from that area are reconciled, teams may take one of the DHTs for sales and **receive 2 points per card sold**. REMEMBER – these areas can only be addressed once the original area given as been canvassed.

(over please)

PRIZE Incentives
